CREATIVE PROJECTS

Worlds of Wonder

Solo Art Exhibition | March 17-21, 2026

- Proposed and executed an art show exhibiting unique projects in an art gallery.
- Communicated effectively themes and ideas through artworks and flyers.
- Exercised a balance of both artistic independence and creative collaboration.

The Vault of Tiapou

Original Trackless Dark Ride Attraction Model | Spring 2026

- Illustrated thorough research of attraction design and fabrication with thematic execution.
- Exemplified consideration of show-building space constraints alongside track and scene layout.
- Conveyed original ideas through the use of a scale model mockup and clear visuals.

SKILLS
